17. Resolution #14-76, Relating to the Composition of the Brown County Planning Commission Board of Directors.

City Planner Ken Pabich explained the composition of the Brown County Plan Commission Board of Directors. The Plan Commission is organized as a regional Plan Commission and the number of Directors it contains has to be passed by the majority of the municipalities in Brown County. The requirement for representation changed after the 2010 Census and Brown County is required to add two seats but is actually increasing the number of seats by 4, from 24 to 28. Discussion followed regarding the number of seats and which municipalities the seats represent.

Alderperson Crevier moved, seconded by Alderperson Raasch to open the meeting. Upon vote, motion carried unanimously. Dan Robinson came forward and stated that he has been a member of the Plan Commission for two years and discussed the number of members with the Council. He stated that he would fear De Pere would lose representation if the Plan Commission reduced the number of seats. Alderperson Crevier moved, seconded by Alderperson Bauer to close the meeting. Upon vote, motion carried unanimously.

RESULT:	ADOPTED [7 TO 1]
MOVER:	Lisa Rafferty, Alderperson
SECONDER:	Larry Lueck, Alderperson

MOVER: James Boyd, Alderperson
SECONDER: Larry Lueck, Alderperson
AYES: Bauer, Boyd, Crevier, Donovan, Kneiszel, Lueck, Raasch, Rafferty

21. Resolution #14-80, Approving Agreement For Purchase And Sale Of Real Estate Between The City Of De Pere And Wisconsin Department Of Transportation (HWY 32/57 and Heritage Road).

RESULT: ADOPTED [UNANIMOUS]
MOVER: Larry Lueck, Alderperson
SECONDER: Kevin Bauer, Alderperson
AYES: Bauer, Boyd, Crevier, Donovan, Kneiszel, Lueck, Raasch, Rafferty

22. Status of proposal on functional consolidation with Green Bay Metro Fire Department

Fire Chief Jeffrey Roemer stated that he is recommending to move forward with hiring a new Fire Chief. Discussion followed regarding the previous recommendation of consolidation. Chief Roemer stated that he still feels that full consolidation is best for the City of De Pere; the contract with Green Bay Metro would have to be similar to the contract that the Village of Allouez has with Green Bay Metro. Discussion followed on the potential of full consolidation with Green Bay Metro. Alderperson Lueck moved, seconded by Alderperson Donovan to hire a full time Fire Chief.

RESULT: ADOPTED [6 TO 2]
MOVER: Larry Lueck, Alderperson
SECONDER: Michael Donovan, Alderperson
AYES: Bauer, Boyd, Crevier, Donovan, Kneiszel, Lueck
NAYS: Dean Raasch, Lisa Rafferty

23. Voucher Approval.

AYES: Bauer, Boyd, Crevier, Donovan, Kneiszel, Lueck, Raasch, Rafferty

24. Operator License Applications.

Alderson Bauer moved, seconded by Alderson Raasch to table Previously Tabled Operator License Applications #1, 3, and 4 and to deny Previously Tabled Operator License Applications #2 and 5. Upon vote, motion carried unanimously.

Alderson Bauer moved, seconded by Alderson Boyd to approve Operator License Applications #1-6, 8-9, 11-13, 15-16, 18-20, and 25-29 and to table Operator License Applications #7, 10, 14, 17, 21-24, 30, and 31. Upon vote, motion carried unanimously.

Alderson Bauer moved, seconded by Alderson Raasch to approve Renewal Operator License Applications #1-30. Upon vote, motion carried unanimously.

25. Future agenda items.

Alderson Donovan asked to put the request of the Syble Hopp speakers on the agenda.

26. Adjournment. Alderson Bauer moved, seconded by Alderson Kneiszel to adjourn at 8:46 p.m. Upon vote, motion carried unanimously.

Respectfully submitted,

Dear Mayor Walsh, Committee members and Alderpersons:

This year, on September 5th, we return the 4th time De Pere's Fashions Night out Event 2014, on Friday September 5th, from 4pm-10pm on North Wisconsin Street from George Street to the Seroogy's Parking lot entrance.

We are working with the police and public works departments and have obtained the necessary permits for the road and sidewalk closure.

We will have music, raffles, food, drink and a fashion show during our event. All of the proceeds raised from raffle ticket sales will go directly to The Golden House.

Our continued vision is that the event will bring new visitors to De Pere and welcome residents of downtown De Pere to enjoy the fall day and their community.

To accomplish this, we ask you to

- Grant us a Special Use Permit to the event as part of the street and sidewalk closure
- Grant us Public Street License for street consumption of alcohol at our event

We look forward to the success of this event and our partnership with the City of De Pere.

Sincerely,

Azure and La Vie Boheme

Shanna Zeitler (Owner of Azure)

Doreen Marin (Co Owner of La Vie Boheme)

Del Martin (Co Owner of La Vie Boheme)

Item #10: Review the CSM Application for a single lot on Fox Point Circle. Agent: REL.

REL has submitted a single lot CSM to be located at 2121 Fox Point Circle at the northeast corner of Government Lot 1 of Section 6. The lot would be 29,144 Sq.Ft. (or .067 acres). The City of De Pere requires the installation of sidewalks on all lots abutting Fox Point Circle. Sidewalk installation shall be completed prior to the issuance of an occupancy permit by the City. 1,225 Sq.Ft. in back of lot is “dedicated to the public”. The land on all side and rear lot lines shall be graded by the property owner and maintained by the abutting property owners to provide for drainage of surface water in compliance with the approved Subdivision Storm Water Management Plan.

Recommendation:

Staff recommends approval of the CSM subject to the following:

1. The name change for Fox Point Court to Fox Point Circle must be completed before the CSM can be recorded.
2. The CSM shall be forwarded to the City Council for approval.
3. The CSM must meet all state and local regulations and changes required by the County.

DEPARTMENT: Parks, Recreation & Forestry

FROM: Debbie Zierson

SUBJECT: Recommendation from the Board of Park Commissioners to accept low bid for Braisher Park Shelter renovation and request City Council to redirect funds from other Capital Projects that have finished under budget.

We conducted a bid opening of the Braisher Park Shelter remodeling project on Thursday, July 3. The lowest bid came in at \$59,000 (\$59,814 - Alternate Bid) and highest at \$75,600 (\$80,800 - Alternate Bid). The Alternate bid includes epoxy painting the floors versus using a concrete sealer. A summary is included as an attachment. Our approved budget for the project is \$60,000, however as part of the project we have already incurred a cost of \$7400 for design.

Using the low bid, we are approximately \$7214 over budget with the project as it stands. Options include the following:

- 1- Postpone the project until next year and budget the additional funds.
- 2- Request funds from undesignated reserve funds.
- 3 - Request to redirect funds from other Capital projects that have come in under budget.
 - Currently our Braisher Playground project is approximately \$2500 under budget, and Community Center Parking Lot project is projected to finish about \$13,000 under budget.

Staff Recommendation: Approve low bid for Braisher Park Shelter and request City Council to redirect funds from other Capital Projects that have finished under budget.

SUBJECT: Resolution #14-81, Authorizing Donation Agreement Between the City of De Pere and De Pere Youth Hockey, Incorporated.

During the original process of accepting the donation from De Pere Youth Hockey for the Zamboni, we were not aware of contingencies they would like to implement regarding the donation. The contingencies the Hockey Association is requesting are listed below:

- Hockey Association will pay \$12,500 over a period of five (5) years.
- Logo from De Pere Youth Hockey will be displayed on the Zamboni.
- Donation of funds shall go back into the Ice Arena Fund.

These are essentially the same contingencies as the Figure Skating Club and would recommend drafting an agreement with the Hockey Association and accept the contingencies.

AUTHORIZING DONATION AGREEMENT BETWEEN THE CITY OF DE PERE
AND DE PERE YOUTH HOCKEY, INCORPORATED

WHEREAS, the City is the owner of the De Pere Ice Arena ("Ice Arena") located at 1450 Fort Howard Avenue, De Pere, Wisconsin; and

WHEREAS, in February 2014, emergency replacement of the City ice resurfacing machine (Zamboni) for the Ice Arena was necessary, resulting in an unexpected City expenditure of \$75,000, which was not included in the City's 2014 budget; and

WHEREAS, De Pere Youth Hockey, Incorporated, in recognition of the City's unanticipated expenditure of these funds, has generously offered to donate money into the City's Ice Arena Capital Improvement fund to help fund future improvements to the Ice Arena, upon the terms and conditions identified in the Agreement attached and incorporated as Exhibit 1; and

WHEREAS, the Board of Park Commissioners has reviewed this matter and recommends its approval thereof.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

The City is grateful to De Pere Youth Hockey, Incorporated for their generous donation and authorizes the Mayor and Clerk-Treasurer to execute the Donation Agreement Between the City of De Pere and the De Pere Youth Hockey, Incorporated (Exhibit 1), subject to technical changes as deemed necessary by the Director of Parks, Recreation & Forestry and the City Attorney.

BE IT FURTHER RESOLVED THAT:

**DONATION AGREEMENT BETWEEN THE CITY OF DE PERE AND
DE PERE YOUTH HOCKEY, INCORPORATED**

THIS AGREEMENT is entered into this _____ day of _____, 2014, by and between the City of De Pere, a Wisconsin Municipal Corporation, (“City”) and the Greater De Pere Youth Hockey, Incorporated, a Non-Stock Wisconsin Corporation (“Youth Hockey”).

WHEREAS, the City is the owner of the De Pere Ice Arena (“Ice Arena”) located at 1450 Fort Howard Avenue, De Pere, Wisconsin; and

WHEREAS, Youth Hockey is a core group user of the Ice Arena, renting many hours of ice time at the Ice Arena for hockey purposes; and

WHEREAS, in February 2014, emergency replacement of the City ice resurfacing machine (Zamboni) for the Ice Arena was necessary, resulting in an unexpected City expenditure of \$75,000, which was not included in the City’s 2014 budget; and

WHEREAS, Youth Hockey, in recognition of the City’s unanticipated expenditure of these funds, has generously offered to donate money into the City’s Ice Arena Capital Improvement fund to help fund future improvements to the Ice Arena, upon the terms and conditions contained in this Agreement; and

WHEREAS, the City and its Board of Park Commissioners are grateful to Youth Hockey and other donors for their generous donations and wish to agree to the terms and conditions as set forth below.

NOW THEREFORE, upon the mutual covenants and promises contained herein, together with such other good and sufficient consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. Subject to the conditions and other provisions of this Agreement, Youth Hockey agrees to donate \$12,500 to the City's Ice Arena Capital Improvement fund, to be used for major maintenance requirements at the Ice Arena. The \$12,500 donation shall be made over a five (5) year period, with the entire \$12,500 pledge being donated on or before July 1, 2019.
2. In recognition of such donation, City agrees to the following:
 - A. To place the Youth Hockey logo on the Zamboni as depicted on the diagram attached as Exhibit A.
 - B. To place donated funds in the City's Ice Arena Capital Improvement fund.
3. The Zamboni and all Ice Arena improvements and facilities constructed using Ice Arena Capital Improvement funds shall remain the property of the City of De Pere.
4. No amendment to the terms or conditions of this Agreement shall be effective unless agreed to in and signed by all parties.
5. Any notice required or permitted hereunder shall be mailed, postage paid, to the following:

AUTHORIZING STREET NAME CHANGE
(Fox Point Court to Fox Point Circle)

WHEREAS, Fox Point Court, located off of Red Maple Road westerly from Rygar Court, was original designed to extend eastward, ending in a cul-de-sac in Parcel WD-L183-4; and

WHEREAS, the owner of Parcels WD-L-183-4 and WD-1447 has determined, by Certified Survey Map, to create a new lot comprised of all WD-1447 and a portion of WD-L-183-4, allowing for future extension of current Fox Point Court to continue circling and connect back with Red Maple Road, necessitating a change in street name type from Court to Circle; and

WHEREAS, future plans call for an extension off of Fox Point Circle eastward which would be named Fox Point Court; and

WHEREAS, renaming this segment of street will not impact the street address used by the abutting parcels; and

WHEREAS, the Plan Commission has reviewed such request and recommends approval thereof; and

WHEREAS, Wis. Stats. §236.295 requires the Common Council to consent to such name change.

NOW THEREFORE, BE IT RESOLVED THAT:

The Common Council approves and authorizes the street name change of Fox Point Court to Fox Point Circle as shown on the scale map attached as Exhibit A.

**Item #9: Review the Street Name Change Request for Fox Point Court to Fox Point Circle.
Applicant: City of De Pere.**

The City of De Pere is requesting that the name of Fox Point Court be changed to Fox Point Circle. The street was originally designed to extend eastward ending in a cul-de-sac in parcel WD-L183-4. However, Fox Point Court will now continue circling, and connect back with Red Maple Road. Because of this, the city would prefer the street be named Fox Point Circle. Future plans are to extend a cul-de-sac off of this circle eastward and have it named Fox Point Court.

Recommendation

Staff recommends approval of the street name change request, and that it be forwarded to the Common Council for approval.

City of De Pere, Wisconsin

Request For Common Council Action

MEETING DATE: August 5, 2014

DEPARTMENT: Public Works

FROM: Eric Rakers

SUBJECT: Consider Project Approach and Timeline for Sidewalk Construction on Lawrence Drive.

The City has been working on the design of sidewalk along Lawrence Drive from the Southwest Park to Scheuring Road. Many areas from the Southwest Park to N. Honeysuckle Circle have existing sidewalk. However, there are areas without sidewalk that decrease the effectiveness of the existing sidewalks. There are no sidewalks north of Honeysuckle Circle. The proposed design has sidewalk on both sides of Lawrence Drive from the Southwest Park to Scheuring Road. A map with the proposed sidewalk has been included.

Background Information

This has been an ongoing project for several years. In 2008, the Board of Public Works approved the installation of sidewalk on Lawrence Drive from Scheuring Road to the south city limits. In 2009, a public information meeting was held to provide information to the property owners on the sidewalk. This proposal did not include sidewalk on the east side from Fortune to Scheuring Road. From this meeting, residents requested additional details on driveway matches and property impacts. The proposed sidewalk installation was not taken to the Council for action.

City staff has updated the design to evaluate impacts. A public information meeting was held on Wednesday, June 18th to provide an update on the design and evaluate impacts for individual property owners. Residents came to the meeting and spoke in favor and against the project.

The current proposal is to install sidewalk on both sides of the Lawrence Drive from the Southwest Park to Scheuring Road. At the time of this design in 2009, there were traffic signals with crosswalks at Lawrence Drive and Scheuring Road. Since that time, the intersection has been reconstructed as a roundabout. The roundabout has crosswalks. Several residents at the meeting stated that sidewalk should be constructed on the east side of Lawrence Drive. They stated that the majority of destinations for walking north of Scheuring Road are on the east side of Lawrence Drive. With the sidewalk on the west side, pedestrians would have to cross the roundabout intersection twice. If the sidewalk was on the east side, they would only have to cross once.

Survey of Property Owners

Staff has had discussions with property owners, as well as sending out a survey in the area to gather input on the sidewalk. While the majority of property owners facing new construction of sidewalk are opposed to the project, the majority of property owners responding to the survey in the residential area south of Southbridge Road are in favor of the sidewalk. As of the date of this memo, the summary of results to the survey is as follows:

In Favor	Opposed	Neutral
139	15	2

A summary of responses along with a map identifying the location of responses has been included.

Facility Need

Lawrence Drive is an arterial street from Fortune Avenue to Scheuring Road. Streets identified as arterial are those with higher traffic volumes in the City. For high volume streets, it is important to provide facilities for pedestrians. A map has been included identifying the arterials in the City, along with those that have sidewalk (green) and those that do not (red). As can be seen on the map, the majority of streets that have been urbanized (curb and gutter versus ditches), have sidewalk.

Connectivity

The City has been a proponent of sidewalk and pedestrian friendly facilities. One important component to sidewalk is connectivity. The proposed sidewalk along Lawrence Drive will provide future connectivity between the residential areas along Lawrence Drive on the south with the commercial development to the north.

A map has been included showing the existing sidewalk in the City. The majority of the City has sidewalk. As can be seen on the map, there is a significant gap in sidewalk between the residential development along Lawrence Drive and the areas to the north.

Municipal Code

In addition to the items discussed above, the City Municipal Code addresses the installation of sidewalk in the City. Sec. 22-5. *Construction and repair of streets and sidewalks*, of the Code states the following:

(d) Sidewalks required constructed. Sidewalks shall be constructed according to the specifications as set forth in subsection (b) of this section. The board of public works shall, at least annually, review those areas where sidewalks have not been constructed to determine the need for such construction for the safety of all citizens and recommend to the common council the installation of sidewalks in such areas. In reviewing the need for such construction of sidewalks, the board and common council shall consider the following factors: thoroughfares, connector streets, connection with public facilities such as schools and parks, pedestrian and vehicular safety and topographic consideration. Upon such recommendation the common council may require installation pursuant to Wis. Stats. § 66.0907.

Sidewalk along Lawrence Drive conforms to the requirements of the Code in that it provides

pedestrian facilities on an arterial street, which would be considered a connector street, provides future connections with public facilities (Southwest Park) and between residential and commercial areas, and pedestrian and vehicular safety.

Project Approach and Timeline

In the past, property owners have been given the opportunity to install their own sidewalk with a licensed contractor. If the property owner does not install their own sidewalk once ordered, the City installs and bills the property owner. Staff is proposing to allow property owners the opportunity to construct their own sidewalk in 2014 and be omitted from the 2015 installation and assessment project.

Several property owners have large lots. The cost of sidewalk will be large for these property owners. Staff is proposing to special assess the sidewalk in 2015 so that the Board and Council can provide an extended time frame for paying the special assessments.

The proposed timeline for project construction as presented to the Board of Public Works is as follows:

- (1) Property owners are given the opportunity to construct sidewalk with a licensed contractor in 2014.
- (2) The City negotiates acquisition of required right-of-way in 2014.
- (3) Sidewalks not installed by property owners in 2014 will be included in a City bid project in 2015. The cost for sidewalk will be special assessed against benefiting properties.

Recommendation

Staff recommends that the Council approve the project approach. Based on comments received from the Board, Staff recommends that the timeline identified above be modified such that property owners being given the option to hire a licensed contractor to complete the work in until May 31, 2015. For sidewalk not constructed by May 31, 2015, the City will prepare a preliminary resolution for special assessments in 2015 to be presented to the Board and Council for approval.

Staff recommends approval to begin negotiations for right-of-way acquisition and if necessary use eminent domain to acquire the right-of-way for the sidewalk.

Todd & Michelle Mader	1526 N. Honeysuckle Cir		1		The map is outdated, it does not show the very first roundabout without walk-don't walk signs. I feel this plan is unnecessary without having the sidewalk on the east side of Lawrence. This is still no way to cross the roundabout from west Lawrence side to get to Scheuring R. sidewalks. The cars come off the highway onto Lawrence via the roundabout very fast with no crosswalk signs to stop them. It's near impossible to cross the sidewalks need to be from Fortune Ave. to Scheuring Rd. on the east side.
Mark & Jodi Kerscher	1844 Payton Ct.	1			
Denis & Cathy Vanden Heuvel	2254 Samantha St.	1			We are very active, we walk, run, and bike along Lawrence Dr. almost every day. This is a great decision as there are a few areas along here that are dangerous to be on the road.
Natzke	1971 Cross Creek Cir.	1			We were just talking about this the other day as we were out for a walk - great idea!
Andrea Longley	2291 Lawrence Drive	1			There are a lot of walkers and bikers who walk in the road around the curve near Humana. It's unsafe and dangerous. These sidewalks will improve safety! :) Yes!
Joe & Melissa Reinhold	2392 Lawrence Dr.	1			It would make taking a walk on Lawrence Dr. so much easier. Also, I believe if I have to up keep my sidewalk, others should have to do the same when I want to enjoy a walk.
Mary Meyer	2442 Kilrush Rd.	1			I commend the City officials to finally take the step to make our community a safer environment for all types of pedestrians. There are many sections of Lawrence Dr. where it is truly hazardous to cross back and forth in traffic to use the sidewalks. Only suggestion would be to move up construction date to Fall of 2014. (Afterall, sidewalk corrections were given 40 days.)

			1		Humana people are evil (:. We do not want the increased traffic from Humana walking while complaining about snow during winter. Humana's walkers are evil. They are unwanted in our neighborhood. Improved sidewalks would increase the Humana transient walkers. In summer, OK, but winter, they are bad!
Paula Bavinck	2171 Lawrence Dr.	1			If the project is divided into 2 phases. I feel the sidewalks from Southbridge to Scheuring is the most important. I have walked to Walmart from home and I feel it was quite dangerous.
Kevin Rohde	1554 Wild Rose Dr	1			
Joseph & Jennifer Smits	2473 Kilrush Rd.	1			It would be wonderful to have continous sidewalks. There are also breaks/gaps in the sidewalk on Lawrence Dr. south of County Clare - it would be nice to have continuous sidewalks here too.
Mary Bratz/LouAnn Behnke	2459 Ballyvaughn Rd.	1			There also needs to be more playground equipment for kids at Southwest Park along with picnic tables for families. It should be mandatory that every house & businesses have to have sidewalks the rest of the homeowners do. The sidewalks should go all the way to Walmart on both sides.
Brett & Lyn Stanton	1761 Galway Ln	1			The sidewalk along Lawrence Dr. is absolutely necessary. This area is rapidly expanding and there are many individuals & families who utilize the existing sidewalks for various activities. It is dangerous to walk along the road where the sidewalks are not in place (especially for those with strollers and children on bikes, as well as individuals in wheel chairs). It does not make sense to only have sidewalks here and there - what good are they if they're not connected?

NAME	ADDRESS	YES	NO	UNDECIDED	COMMENTS
James Neuman	2056 Lawrence Dr.		1		I think that sidewalk on one side or the other would be more than enough to handle the traffic. Thank you. Please see my changes to the map. (NOTE: The changes included the elimination of sidewalk on the west side of Lawrence Drive from Southbridge Road to Fortune Avenue)
Martin Puckhaber	1502 N. Honeysuckle Cir.	1			For the areas where there exists sidewalks, on one side of the street, there is NO need for additional sidewalks on the opposite side of the street (i.e. Lawrence running from Honeysuckle to Silver Maple). Further, only need sidewalks on one side of the street anywhere. I walk all year round & would appreciate a sidewalk but don't need them on both sides of the street. This is our money you are proposing to spend. Let's be frugal but effective. Thanks for asking.
David Dudek	2476 Ballyvaughn Rd.	1			Thank you for considering this. There are many young families in the subdivision across from Southwest Park that like to walk with their children and strollers. Having a sidewalk that would extend to Southbridge would be fantastic and would make the area safer to walk. We wouldn't have to walk on the road with our strollers for some stretches.
Mark Dorn	2245 Lawrence Dr.	1			Safety reasons.
Marsha Kruchten	1764 Ballinamore Pl.	1			It will be nice to not have to walk in the street when I come to no sidewalk areas along Lawrence.
Jon & Heather Dretzka	1560 Silver Maple Dr.	1			Yes!!! We have lived in the neighborhood for 7 years and walk about everyday. We have been waiting for sidewalks for a very long time. We now have a 9 month old daughter and feel it is too dangerous to walk because the sidewalks do not connect. We cannot wait for the sidewalks to be installed. We are very much in favor and extremely excited!!!

Linda J. & David E. Olson	1553 Wild Rose Dr.	1			Long overdue. We will greatly appreciate a walkway.
Ann & Bruce Kondro	1932 Creamery Rd.	1			
Eric & Holly Heinkel	1761 Lemon Ln.	1			I am very much in favor of the sidewalk installation. I , along with many other families, attempt to walk in these locations with my small children and need to walk in the roads when it comes to those properties that do not have sidewalks. There is also a property on Samantha St. which does not have a sidewalk. It is lcoated 6 properties north of Burgoyne Ct. and I think this needs a sidewalk also! I have been wanting this to happen since I moved to the neighborhood nearly 9 years ago. Thanks for considering this.
Bob & Jean Lincoln	1774 County Clare Rd.	1			
Dan Bassindale	1747 County Clare Rd.	1			
Michael Morgan	1790 Stock Ln.	1			I feel there should be sidewalks in the areas where a neighborhood has them and some properties along Lawrence Dr. are missing them. Right now, when you're walking on the sidewalk and come up to a property that's missing them, you have to walk out on the street and then back onto where the sidewalk continues at the next property. This doesn't seem very safe for children, especially since most of the properties already have sidewalks. I'm strongly in favor of the installation of sidewalks in the areas where homes already have them and neighbors don't seem to have them.

Gerald Krull	1738 Galway Ln.	1			I think it is about time the sidewalk issue is taken care of. I walk this and am surprised no one has been hurt by vehicle traffic along the routes where no sidewalk is. Thank you!
Bill & Cheryl Veazie	1943 Snowy Owl Ct.	1			This is a residential area with a high volume of traffic on Lawrence - <u>needs a full sidewalk</u> ! Question: What is the long range plan for Lawrence Dr.? The road is very narrow in areas, which does not allow for bicycle or pedestrian traffic. I would like to see the plan include better or wider traffic lanes, bike lanes, and a sidewalk for pedestrians. I realize all this may not be possible, therefore, I am still in favor of a sidewalk installation only.
Richard Swidergal	1780 Marissa Ct.		1		My wife and I agree that current access is sufficient within the subdivision and that walking traffic from the south area of Lawrence to Scheuring is not of consequence to warrant this burden on the landowners or taxpayers. Thank you.
Harold J. Wilsman	1561 Silver Maple Dr.	1			It would make it much safer for all people to walk & especially in the late afternoon & evening. Should have been done two to four years already.
Tim, Michelle & Ali Stevens	1561 Wild Rose Dr.	1			Good luck.
Mark & Mary Jackson	2200 Nick Lane	1			
Joshua & Jacqueline Oliver	2370 Talladega Speedway	1			This is long awaited! We are very thrilled about this as parents of a young child. It is difficult to walk along Lawrence with a stroller when the sidewalk keeps cutting off.
Bradley J. Fisher	2333 Daytona Speedway	1			
Randy & Lynn Modrow	2333 Talladega Speedway	1			About Time.

NAME	ADDRESS	YES	NO	UNDECIDED	COMMENTS
Andrew Novitski	1781 Marissa Ct.	1			I can understand that the property owners needing to pay for the sidewalk will be concerned with the additional cost. At the same time, as a family who regularly walks along Lawrence, the increased traffic and a lack of a safe walking area is a concern.
Wendell Hull	1791 Burgoyne Ct.	1			I feel that it would make walking safer along the street.
Shane Macco & Jessica Macco	2334 Samantha St.	1			I think the sidewalk installation is a great idea and is long overdue. We have a six year old daughter and dislike the fact that she has to go on the road in various places while riding her bike when the sidewalk ends. The sooner the sidewalks go in, the better, in my opinion.
Jean Spodeck	2365 Indy Ct.	1			The sidewalks will have more people off the road. This is good for the automobiles as well since the people will be on the sidewalks.
Matthew & Kari Stewart	1518 Red Maple Rd.	1			Hard to take our dog on walks on busy road since part of Lawrence has no sidewalk.
Randy Hammer	1868 Payton Ct.	1			Only having half a sidewalk on one side is dangerous for children.
Scott & Beth Neuser	1530 Red Maple Rd	1			
Tom & Melanie Schmitt	1934 Creamery Rd.	1			My kids & I go for many walks & bike rides. When we get to Lawrence Dr. we have to go from sidewalk to street to sidewalk, etc. Since we also walk our dog, it is much safer for us to use a sidewalk. Additionally, we have 1 student driver with a second one on the way. It is safer for ALL drivers for pedestrians & runners to be on the sidewalk. Our daughters would have less distractions as a driver if there were sidewalks. Sidewalks would also improve the aesthetics of the area.
Jame J. VandenBoogard	1594 Red Maple Rd.		1		Sidewalks are not used enough to warrant having them. They are modes of transportation of years gone by. I did a study on usage two years ago and they were slightly used during the summer only. Then only during very nice days.

NAME	ADDRESS	YES	NO	UNDECIDED	COMMENTS
Robert Olejniczak	1799 Bridge Port Ln	1			What about on the East side of Lawrence Dr. from Fortune to Scheuring? We need sidewalks there too. But I am in favor of sidewalks all the way down to Walmart.
Cynthia Simon	2377 Talladega Speedway	1			I am very much in favor of the sidewalks being installed. I walk to Southwest Park and to the gas stations from my house on Talladega Speedway. Walking on Lawrence can be very intimidating in those areas without sidewalks, especially during the winter months. Thank you!
Dan & Amanda Sliva	2352 Daytona Speedway	1			
Tom & Amanda Shefchik	1822 Payton Ct.	1			Without sidewalks that connect the current sidewalks are basically useless. My understanding is that all new construction is required to install sidewalks on Lawrence Dr. and that homes built prior to a certain date would be required to install sidewalks upon sale. Some of these properties have been bought and sold multiple times without sidewalk installation. In addition, many of these current sidewalk sections are not cleared during the winter months.
		1			We would love to have the sidewalk installed!!
Jim & Wendy Lentz	1795 Stock Ln	1			We think it would be a very good idea to put sidewalks in where needed as many people do walk on Lawrence Dr & some day someone is going to get hit by a car as very few go the speed limit on Lawrence Dr.
Jeremy LeMere	2648 Whitegate Tr/1767 & 1769 Burgoyne		1		Either the builders should be charged a fee for this upfront or they should be installing them at the time of construction. Purchasing a property and subsequently being forced into this without a 5+ year master plan for the spending goes against the budgeting that even the municipality needs to use when getting things done. The community should pay for this feature and those with it already installed should get a credit for feet already installed and capitalized.

					The areas of Lawrence Dr. which do not currently have sidewalks on either side of the street or even one side of the street pose a definite danger to pedestrians and bikers due to the following: 1. Consistent/Constant car and truck traffic due to the street's providing a major north/south route to and from an ever growing area 2) Heavy car and truck traffic exists at peak times of the day, e.g. weekdays 7-8:30am and 4-6:30pm 3) The need to get fairly close to vehicle traffic where no sidewalk exists on either side or even the act of crossing over to a side of the street with an existing sidewalk very often becomes a hazardous exercise 4) Even tho the posted speed limit is 25mph in some areas of Lawrence Dr., cars often cruise through at 35-40mph with many drivers talking on cell phones or texting while they're driving. Where the speed limit is 35mps many drivers cruise thru at 40-50mph, especially during peak traffic periods, even at the higher speed, many drivers can be seen using cell phones or texting while driving.

Joseph & Tamera VanBeek	1556 Red Maple Rd.	1			
Jamie & Michael Schmidt	2413 Lawrence Dr.	1			
Paul & Cheryl Merritt	2458 Ballyvaughn Rd.	1			We like to walk around the neighborhood so more sidewalks, especially continous ones, are a great things. Thanks!
Richard & Nancy Schneider	1943 S. Cross Creek Cir.	1			Lawrence Dr. is a highly traveled street. A sidewalk is absolutely necessary for safety reasons.
John McMorrow	1545 Wild Rose Dr.	1			What would really be nice for me is a sidewalk from Fortune Ave. to Scheuring on the east side of Lawrence
Lydia Jones	1798 Lemon Ln	1			I think the sidewalks are a good idea and we have needed them for awhile. I had to pay for my sidewalk on Lawrence R. so I am glad that will be the same this time. The sidewalk proposal will mean I can walk with a stroller and my son on his bike without having to detour into the road. Thank you!! Does this include repair to the existing sidewalk on Lawrence?
Michael & Mary Butterfield	1951 Cross Creek Cir	1			It's about time! Lawrence Dr. Is a very busy street. It is only common sense to have sidewalks.
Kristin O'Grady	2482 Ballyvaughn Rd.	1			Will be nice to have complete sidewalks in this area.

Doug & Lisa Bergan	1537 N. Honesuckle Cir.	1			BRAVO! We fully support and encourage the completion of this sidewalk installation plan. This plan will benefit public safety in the area. Too often I see individuals & children walking on roadway that are absent of sidewalks. We sincerely hope this sidewalk plan is supported by citizens in this area.
Harley & Sara Quarnstrom	1756 Adare Ct.	1			
Mark Olejniczak	2360 Daytona Speedway	1			
David & Shelly Soulis	2368 Daytona Speedway	1			As a neighboring homeowner, we have had to incur the installation of sidewalks and replacement of failed construction. It seems only fair and the fact that as an avid walker and improved children safety, the sidewalks would prove beneficial.
James & Dana Daggs	1972 N. Cross Creek Cir.	1			We would use it and love it! This is a great idea!:))
Matt & Jennifer Lambrecht	2356 Indy Ct.	1			
Sarah Delmore	1903 Cross Creek Cir.	1			Sidewalk is already in at our house but I think for the area, we need it. There are too many people walking, running, etc. & Lawrence Dr. is just too busy. We can't have people on the streets. It isn't safe.
Dominic & Stephanie Reinerio	1869 Payton Ct.	1			We feel that sidewalks are a necessity. With two young children & a dog, the current sidewalks are very cumbersome. The biggest drawback when we moved here 3 years ago was the lack of sidewalks relative to where we live. Our previous home in Neenah had superb sidewalks and access to trails. With young children & the busy traffic on Lawrence it is currently a deterrent to not walk outside of our cud-de-sac.
Len Socha	1553 Red Maple Rd.	1			I think this will be a great addition and fill in the missing gaps. I have seen several close calls between cars and pedestrians. Also I run on Lawrence and it can be dangerous.

NAME	ADDRESS	YES	NO	UNDECIDED	COMMENTS
Marla Swiecichowski	1521 Wild Rose Dr.	1			Our neighborhood sidewalks go nowhere! We love to walk and the sidewalks all end after our subdivision. There is very heavy traffic on Lawrence Drive and very few sidewalks. It is dangerous for anyone walking. Our children can't even safely walk from our subdivision to their friend's house in the next subdivision because after Red Maple this is a very small area to walk because traffic comes real close because of a road divider on Lawrence Dr. I would often like to walk to the many businesses that are very close by but the sidewalk just ends after Honeysuckle. I feel it is unsafe to walk in the road past this point because of the heavy traffic especially when Humana shifts end. This is a <u>very</u> unfriendly pedestrian area. There are many neighborhoods around here with children and heavy traffic, this is not a good mix without sidewalks. If you are going to insist on residences having and maintaining sidewalks please make them usable to allow us to safely move about the community! Thank you!
Ben Brossard	1766 County Clare R.	1			Please install sidewalks!!:)
Angelene & Josh Wehrenberg	2452 Ballyvaughn Rd.	1			Would be great for safety reasons. It would cut down on the number of times we'd have to cross Lawrence with small children to stay on sidewalks.
Dennis M. Collins	1743 Bridge Port Lane	1			I don't think we need any sidewalks from Fortune Ave. south on Lawrence to Honesuckle Circle. Everyone can walk on west side of street from Scheuring Rd. down to County Clare Rd. Let's try and keep sidewalks as close to road as possible...

NAME	ADDRESS	YES	NO	UNDECIDED	COMMENTS
Jeff Dorn	1531 Red Maple Road	1			I'd like to share a few observations I why I feel the proposed sidewalk design meets the needs of the community. I work at JX Peterbilt at 201 Lawrence Dr. and travel most of this route daily multiple times. I would just like to share that I often times see people throughout the day walking down Lawrence Dr. between Scheuring Rd. and Honeysuckle on the east side of Lawrence Drive. I think the sidewalk is much needed for folks along this path but wonder if people will cross and use the west side walk if no east side walk is offered. I would urge all parties to consider doing both sides of the road. My wife and I also walk our dog on the portion from our street to Southwest Park. Having a completed sideway the entire way would be a benefit for all and create a safer walking experience. In those areas where there is no walk we are on the street and have had a few instances where the cars have come by beyond the posted limit or closer to the curb than I'd prefer. Please make every effort to move this project from a proposal to a completed one. Objections from a few property owners who may not want to bear the expense would be very shortsighted and detrimental to our community.
Gladys M Stowe	2275 Lawrence Dr.		1		Because of the elevation of the road set during its construction and the exisiting elevation of the house and garage I believe with the sidewalk and approach codes, it would not be possible to drive in after completion of the road and the approach during construction the cars bottomed out and grading was redone to alleviate the problem. The driveway is so steep now that in winter we had to move the mailbox up to the house as you could not walk down the driveway as is. Also it would require total regrading of the yard and possibly a retaining waill to put in the sidewalk which would be too expensive. There are plenty of places between east and west De Pere with no sidewalks, ie St Francis Rd, Urbandale Ave, Nicolet Ave, White Pine Ave, Glenwood Ave Belle Ave Autumn Dr, Rainbow Ave, S. Clay and many more.

Kim Van Noce	2369 Indy Court	1			Taking dog for a walk down Lawrence is unsafe during busy times as we have to go on the road in some areas.
Sarah Holm	2290 Samantha St	1			As a person who walks my dog everyday, I really would appreciate being able to stay on the sidewalk rather than having to walk in the street.
Kyle & Emily Trembl	1935 Cross Creek Cir.	1			This sidewalk is long overdue. It is currently too dangerous for people to walk along Lawrence Drive without proper sidewalk connections.
Maria Przybelski	1935 Snowy Owl Ct	1

Ken & Terri Thiry	1553 Silver Maple Drive	1			Love to walk - Lawrence Drive is very unsafe walking along the side of the road.
Bruce Lundd	1772 Marissa Ct	1			I think completion of sidewalk on East side of Lawrence would suffice.
George A Thorne	2101 Lawrence Drive		1		There is very little pedestrian traffic on our part of Lawrence Dr. The sidewalk will greatly decrease the appearance and utility of our front yard. My wife and I are unable to remove snow so this will greatly increase our snow removal cost. It is ridiculous to spend all that money for so few people to use the sidewalk! Do Not Do IT!
Ben Savel	1909 Cross Creek Cir	1			As a frequent pedestrian and driver on Lawrence Dr., I find it dangerous when children and dogs are on the roadway, especially during busy times.
Annette & Brian Kroll	1769 Maxwell Ct	1			It makes it difficult to walk in the neighborhood without sidewalks - especially in Spring/winter. Sidewalks all the way to Lawrence would make it easier to bike/walk to Walmart/Culvers/Dairy Queen. With more business going in this seems to be a necessity! Also - I see people walking/biking along Lawrence near Humana and it is unsafe!

Lynn M. Sinclair	2314 Samantha St.	1			Sidewalk additions on busy Lawrence Drive is going to save someone's life. So many people walk this area everyday. This will only add value to homes, but be safer for everyone also.
Ralph G. & Bonnie A. Destiche	2311 Lawrence Dr	1			It will be much safer for all who walk, run, & bike this area.
Kevin & Sarah Anderson	1776 Lemon Lane	1			With so many families in the neighborhood, creating the safest option for healthy activities is absolutely imperative. These sidewalks are a must.
Max & Brittany Hanson	2368 Indy Ct.	1			This would make my walks (especially with a dog & a stroller) a lot easier.
Ron & Kathie VanPrice	2248 Nick Ln.	1			As a police officer and as a resident I have seen many people walking, running, biking, etc. Almost be hit by vehicles because of the lack of sidewalks. A trail along southbridge would be a safe thing too.
David & Jennifer Tilot	2236 Nick Lane	1			This needs to be done. So dangerous with people walking on the road. I think it is needed and would be greatly appreciated by the walkers/bikers/& drivers. Thank you :)
Wayne & Ellen Kaplan	2230 Nick Ln	1			It's good to know the kids of west De Pere will be safer by not having to ride bikes, tricycles & strollers in the street. Thank you!
Paul & Sue Bougie	2108 Lawrence Drive		1		Sidewalks are not necessary. There are bike lanes on both sides of Lawrence Drive going south shortly after Fortune Ave & Employer's Blvd. Very seldom do we see a bike use them. Very few people walk on Lawrence Dr - they could use them. Employees of Humana walk on the Employers Blvd and Fortune Ave. They do not have sidewalks. For sidewalks south of Employer's Blvd & Fortune Ave, how many people are going to use them, would people cross Scheuring Road at the roundabout?

Lisa Van Gompel	1756 Lemon Lane			1	I agree there should be a continuous sidewalk on Lawrence Dr., however, I don't think it is necessary on both sides. Since the east side already has the most existing sidewalk in place, why not complete the missing pieces and forego the new sidewalk on the west side of the street? How much would the west side from Scheuring to Southbridge be used if there was sidewalk there? Personally, I don't see the need if the east side of the road had continuous sidewalk.
William Bos	1759 Meneau Dr	1			Strongly in favor of sidewalks, kids have to ride or walk along busy industrial streets. Also, what can be done about the U-turns at Community First Credit Union Driveway. Drive this every day and it is very hazardous.
Jeremy & Melissa Bock	1880 Payton Ct	1			It would be so much safer for pedestrians to walk on Lawrence Drive when this is completed. Thank you!
Sonja Jensen	1573 Red Maple Road	1			Currently, our neighborhood is an "island", where it is difficult/dangerous to go beyond as a pedestrian. We would love to be able to walk to the store, or just take a walk to the park, without feeling unsafe. Three top reasons for sidewalks: 1.) Safety - need a safe place to walk 2.)Health - approximately 30% of our residents are obese (public health concern) 3.)Sustainability - we need to look at alternatives to transportation via cars. Right now, it is not only unsafe to walk but also to bike (not even a shoulder between Honeysuckle Circle and Scheuring, much of the way) *Also - connectivity creates a sense of community
Michelle Ward	1703 Burgoyne Ct.	1			
Eric & Sue Peterson	2284 Samantha St.	1			We would favor this. We would use the added sidewalks to walk our dog. Thank you.

James DeFrance	1873 Lemon Lane	1			The city as a whole should pay for the sidewalk. There is no benefit to the property owner. The people using the sidewalk would be strangers that are, most likely, tax payers of the city of DePere. Even the maintenance of this special walkway should not be the responsibility of the private homeowner. They were "grandfathered" to have private property rights.
Gene Whittemore	1898 Payton Ct.		1		I don't feel I should have a "say" in someone else paying for sidewalks in front of their house.
Bonnie S Korczewski	1476 S. Honeysuckle Cir	1			The sidewalk installations would allow safe access out of my neighborhood to other local areas. Great idea -- sidewalks are an expected perk of living in De Pere.
Brandon & Dana Kucksdorf	2436 Kilrush Road	1			This is the greatest idea ever! We have been waiting a long time for this to happen. Please let us know if you are taking a vote or need us to come to a meeting. Thank you!!
Alissa & Kevin Cooluch	2327 Pocono Ct	1			
Steve & Michelle Vermeulen	1468 S. Honeysuckle Cir	1			Thank you for moving this forward. We walk on a regular basis but do not feel safe using the road towards Scheuring. This change supports the City's goal of making the community accessible for all. My only suggestion would be to continue sidewalks on the east side of Lawrence all the way to Scheuring.

Ben and Stacy Hemp	2042 Lawrence Dr		1		We don't have a problem with the sidewalk project, but with the overall project scope. First, Lawrence Dr., does not have enough foot traffic to justify the entirety of the proposed sidewalk addition. While we understand and appreciate De Pere's vision of being a walking community, unfortunately this area is separated from the rest of the city by an industrial park; and is too far from local businesses to realistically consider walking. Our property is one of the closest to Scheuring Rd., and it would be a half hour walk to even get to Walmart. A walking city is great in theory, but is not realistic for this situation. see survey form for more comments.

CITY OF DE PERE
POLICE DEPARTMENT

REPORT

To: Common Council

From: Derek A. Beiderwieden, Chief of Police

Date: July 30, 2014

Subject: Designated Offenders

I have been asked to present some basic information to the Council regarding our current state of Designated (Sex) Offenders.

In Brown County, there are eleven sex (designated) offender residence restriction ordinances, with municipalities using different approaches. By choice, De Pere does not have an ordinance restricting where a designated offender can reside. Many of the outer most townships from the Green Bay/De Pere metro area do not have such ordinances either. Designated offenders typically do not reside in those more remote areas most often due to their lack of specific services, jobs and distances to useful public transportation.

The number of designated offenders living in De Pere averages about 33 per year since the department started recording in February 2010. Prior to 2010, the department did not physically record the numbers of designated offenders living in the city, even though it did regular personal compliance checks. The breakdown is as follows:

Date	Number of Offenders
February 2010	42
October 2010	34
February 2011	32
October 2011	32
February 2012	31
August 2012	38
March 2013	38
June 2013	37
September 2013	30
October 2013	31
November 2013	31
March 2014	29
July 2014	31

De Pere has seen the number of designated offenders living in the City fluctuate, but the number today appears less than the average over the past 4 years. Fluctuation occurs at any time due to movement of supervised and unsupervised persons (not on parole or probation) and the numbers represented are only from the moment the information is requested.

Attachment: Sex Offender Report August 2014 (2415 : Discuss sex offender residency concerns.)

The police department does not have a recorded re-offense of a sex crime by a convicted sex offender while living in De Pere. The police department does have two documented cases of a designated offender being cited for loitering near where children had gathered.

After De Pere passed the ordinance in 2010 restricting designated offender living arrangements, there were 4 known cases of offenders living in De Pere claiming to live at another address. This is commonly referred to as being “underground.” Numerous studies suggest “underground” living is caused by residency restrictions. This arrangement is much more of a public safety concern to law enforcement and corrections as the whereabouts of the offender is then unknown. The purpose of the Sex Offender Registration Program (SORP) throughout the state is so the public can be informed where convicted sex offenders live. Living anonymously is clearly more dangerous to the public’s safety. Since De Pere repealed the ordinance, there have not been any cases of false addresses in De Pere. However, we have had 6 cases of designated offenders living in another jurisdiction claiming to live in De Pere, further suggesting it is due to other jurisdictions residency restrictions.

Through regular compliance checks requiring personal visits by De Pere police staff with the offender at their residence, the police department has been able to verify and quickly ferret out those in violation of the state reporting requirements. All non-compliance information is forwarded to the Department of Corrections for prosecution.

I refer to experts in this field of study and the studies that have been done are consistent in identifying residency restrictions having unintended consequences with some offenders giving false information about where they reside. The studies have identified this as a major public safety issue and as a result many forward thinking jurisdictions have repealed residency restrictions for designated offenders.

Any ordinance intended for public safety must have a solid public safety purpose. If an ordinance is purely emotional or is designed to have the public feel good about something, then it potentially becomes detrimental to public safety and should not be deployed. We have seen the residency restriction in De Pere had a negative consequence and an opposite effect for public safety. I suggest the city not entertain a residency restriction for designated offenders.

Thank you for time. If you have any questions about this information, please contact me at 339-4075 at your convenience.

Sex Offender Ordinance History, City of De Pere

11-17-09 Common Council Meeting: **Request to discuss sex offender ordinance (the minutes do not reflect who made this request).**

12-15-09 Common Council Meeting: **Request for discussion regarding sex offender ordinance at the 2nd meeting in January (the minutes do not reflect who made this request).**

2-2-2010 Common Council Meeting: **The Council had a discussion regarding a sex offender ordinance.** Alderperson Wilmet moved, seconded by Alderperson Donovan, to open the meeting. Upon vote, motion carried unanimously.

John Olson, 310 Fulton, addressed the Council regarding residency restrictions, which De Pere doesn't have and noted a large portion of sex offenders live east of Hwy 41. Ashwaubenon and Green Bay's loitering restrictions are very similar to De Pere with the only difference in De Pere allowing a sex offender to live near where children congregate such as schools & parks. He proposed they be kept a little away from schools, daycares, libraries, parks, etc...

Alderperson Robinson moved, seconded by Alderperson Heuvelmans, to close the meeting. Upon vote, motion carried unanimously.

Alderperson Wilmet moved, seconded by Alderperson Donovan, to refer this matter to the City Attorney to look into drafting an ordinance to restrict residency. Upon vote, motion carried unanimously.

4-07-10 Common Council Meeting: **Ordinance 10-05 Amending §8-18.3, De Pere Municipal Code Relating to Sexual Offender Residency Restrictions was presented.** Alderperson Wilmet moved, seconded by Alderperson Van Vonderen, to enact the ordinance. Discussion followed.

Alderperson Donovan moved, seconded by Alderperson Robinson, to open the meeting. Upon vote, motion carried unanimously.

Scott Crevier, 693 St. Joseph, stated he is concerned about the direction of the discussion on this issue. He asked what can be done to keep the community safe stating we need to talk to the experts and look at the statistics. He stated two key points made by Tim Smith were residency restrictions don't work and recidivism rates of those under supervision is 1%. In 93% of cases, the victim knew the offender and he asked if the city even needs this ordinance. This type of ordinance creates a false sense of security & stated doing the same as other communities makes them less safe. If the ordinance is approved, he asked the Council to place heavy consideration on Alderperson Boyd's comments at the last meeting whereby moving sex offenders away from schools, parks, & churches you are ignoring other places where children congregate such neighborhoods. Kids are everywhere and just moving sex offenders around the city does not solve that & doesn't resolve the total number of offenders in the city. He also asked the Council to make their intentions clear and measurable, what is it exactly they want to accomplish & be specific.

Toni Etter, 135 Lorrie Way, clarified a few points on sex offender residency restrictions including Franklin was the first community in Wisconsin to enact a residency restriction. Dept of Corrections ignores state law in terms of where to place sex offenders and sentencing restrictions. The other issue is once these people are off of active supervision they are no longer monitored. Many communities struggle with this and enacted the larger restrictions to have some control over where sex offenders are placed to avoid hot pockets. Green Bay has an Appeal Board, where based upon treatment and prognosis, sex offenders are allowed to live within restricted areas. In reference to the 500 ft restriction zone around

Sex Offender Ordinance History, City of De Pere

schools, daycares, & parks, it's required by law to notify the neighborhood when a sex offender is placed there; however, if you send a child to a park or school they are not notified. In terms of neighborhoods vs. parks, that is very problematic. She stated the type of sex offender residing in De Pere should be looked at since there appears to be a pattern & she is also concerned about the recidivism rate. There are child victims that will suffer for life and there must be consequences for offenders. She hopes the Council will consider this information when making a decision.

Alderson Robinson moved, seconded by Alderson Donovan, to return to regular order. Upon vote, motion carried unanimously. Discussion followed.

Upon vote, the ordinance was approved with 5 ayes and 2 nays. Aldersons Kegel and Robinson voted nay; Aldersons Castelic, Donovan, Heuvelmans, Van Vonderen and Wilmet voting aye (Alderson Boyd was excused). This ordinance requires a second reading.

4-20-10 Common Council Meeting: **Ordinance 10-05 Amending §8-18.3, De Pere Municipal Code Relating to Sexual Offender Residency Restrictions (second reading) was presented.** Alderson Donovan moved, seconded by Alderson Van Vonderen, to enact the ordinance.

Alderson Robinson moved, seconded by Alderson Boyd, to open the meeting. Upon vote, motion carried unanimously.

John Olson, 310 Fulton, spoke in favor of the restrictions stating he has listened to the discussion hearing both sides of the argument and is baffled over the concern for the convicted child molester. He heard restrictions don't work because they go underground and feels a certain percentage will do so with our without restrictions. He heard restrictions are a false sense of security and yet the sense of security we have is the fact that sexual offenders are registered but unaccountable. He has heard a child molester would be in neighborhoods where children play and hopes the neighborhood would be at least aware of the whereabouts of a sexual predator. He also believes every parent should feel safe when dropping his or her children off at a school, daycare, or park.

Alderson Robinson moved, seconded by Alderson Donovan, to return to regular order. Upon vote, motion carried unanimously. Discussion followed.

Upon vote, the ordinance was enacted with 4 ayes, 4 nays and Mayor Walsh breaking the tie voting aye. Aldersons Bauer, Boyd, Kegel and Robinson voted nay; Aldersons Donovan, Heuvelmans, Van Vonderen and Wilmet voting aye.

12-04-2012 Common Council Meeting: **Alderson Crevier requested as a future agenda item that the Council discuss the effectiveness of the sex offender ordinance and receive feedback from Chief Beiderwieden and the community.**

1-15-2013 Common Council Meeting: **Report on sex offender ordinance impact was presented by Police Chief Beiderwieden and Jed Neuman, Supervisor of the Wisconsin Department of Corrections Sex Offender Unit.**

Chief Beiderwieden's report included statistics and an explanation of the address checking process. Discussion followed.

Sex Offender Ordinance History, City of De Pere

Jed Neuman, Supervisor of the Wisconsin Department of Corrections Sex Offender Unit explained why a sex offender ordinance can make it more difficult to keep track of the registered sex offender's location. Mr. Neuman stated the ordinances compromise what agents can do and actually have a counter effect. Discussion followed. **Alderson Crevier requested the ordinance be placed on a future agenda to rescind.**

2-05-2013 Common Council Meeting: **Ordinance 13-06, Repealing Sexual Offender Residency Restrictions was presented.** Alderson Crevier moved, seconded by Alderson Bauer to approve the ordinance. Alderson Crevier explained why he asked to revisit the sexual offender residency restrictions. Alderson Robinson moved, seconded by Alderson Crevier to open the meeting. Upon vote motion carried unanimously. Keri Christnovich, 1756 Charles Street, De Pere, spoke in favor of repealing the ordinance on behalf of her husband who was unable to attend the meeting. Alderson Crevier moved, seconded by Alderson Robinson to close the meeting. Upon vote, motion carried unanimously. Mayor Walsh read an email from a constituent that was also present at the meeting who was also in favor of repealing the ordinance. **Upon vote, motion carried 5-2 with Aldersons Lueck and Van Vonderen voting nay; Aldersons Bauer, Boyd, Crevier, Kneiszel, and Robinson voting aye (Alderson Donovan was excused). A second reading of the ordinance is required.**

2-20-2013 Common Council Meeting: **Ordinance 13-06, Repealing Sexual Offender Residency Restrictions (second reading) was presented.** Alderson Crevier moved, seconded by Alderson Boyd to approve the ordinance. Alderson Lueck explained that he believes the Council needs more information from the Department of Corrections before they make a decision. Alderson Crevier moved, seconded by Alderson Van Vonderen to open the meeting. Upon vote, motion carried unanimously. Donald Sliwka, 510 Acreview Drive, De Pere, spoke and stated that he owns rental property in De Pere and was surprised when the Department of Corrections contacted him about renting one of his properties near a school to a registered sex offender. Alderson Crevier moved, seconded by Alderson Lueck to close the meeting. Upon vote, motion carried unanimously. Discussion followed. **Alderson Lueck moved, seconded by Alderson Van Vonderen, to table the ordinance until the March 19th meeting. Upon vote, motion carried 4-3 with Aldersons Bauer, Crevier, and Kneiszel voting nay; Aldersons Boyd, Donovan, Lueck and Van Vonderen voting aye (Alderson Robinson was excused).**

3-19-2013 Common Council Meeting: **Ordinance 13-06, Repealing Sexual Offender Residency Restrictions (previously tabled at the 2/20/13 Council Meeting – second reading) was presented.** Alderson Robinson moved, seconded by Alderson Crevier to approve the ordinance. Police Chief Derek Beiderwieden and Department of Corrections Supervisor Jed Neuman were present and discussed a handout provided for Council by the Department of Corrections. Because the data is generated by zip code, there wasn't a clear distinction between what is technically within the De Pere City limits. The Council decided to stop reviewing the handout as it wasn't answering the questions that they had asked at a previous meeting. Discussion followed. **Upon a roll call vote requested by Alderson Donovan, motion carried 5-3 to approve the ordinance with Aldersons Donovan, Lueck and Van Vonderen voting nay; Aldersons Bauer, Boyd, Crevier, Kneiszel and Robinson voting aye.**
