Leah Michaletz, the agent for Studio 132, spoke to the License Committee about the list of incidents and stated that some of those have been addressed. Claude Robinson also addressed the License Committee and explained that they have hired a new security company for their events and installed a new camera system. They now scan all IDs into a computer system. He stated that once they realized that there was an ordinance prohibiting all-you-can-drink specials in the City, they discontinued offering those specials. Discussion followed regarding the marijuana issue and the shooting incident. Claude Robinson stated that the previous security company they had for their events covered up the shooting and that was why the police weren't notified. Discussion followed. Chief Beiderwieden stated that because of the positive steps they've taken to address these issues he recommends issuing a warning letter to the license holder. Alderperson Bauer moved, seconded by Alderperson Raasch to close the meeting. Upon vote, motion carried unanimously. Alderperson Bauer moved, seconded by Alderperson Raasch to issue a warning letter to the licensee. Upon vote, motion carried unanimously.
